# Home Page

---

This is advertisement section as it is free version of the app

User can navigate the app in two ways

- Through date of birth
- Browse milestones based on age selection

# Capture Children Data

The screenshot shows a mobile application interface. At the top, the status bar displays 'Lycamobile', '13:06', and '61%' battery. Below the status bar is a blue header with a 'Back' button and the text 'Birth to 6 weeks'. A white house icon is centered below the header. A black banner with white text reads 'Discover a university in the heart of Sydney's digital and creative precinct'. Below the banner, the text 'Select Date of Birth' is followed by a date input field containing '2019-12-21' and a calendar icon. Below that, the text 'Enter gestational age of Birth' is followed by an input field containing '37+ weeks'. At the bottom, the text 'Child is 0 weeks old' is displayed above two blue arrow-shaped buttons: 'Birth to 6 weeks' and '6 weeks'.

Second page in App is to capture date of birth of child

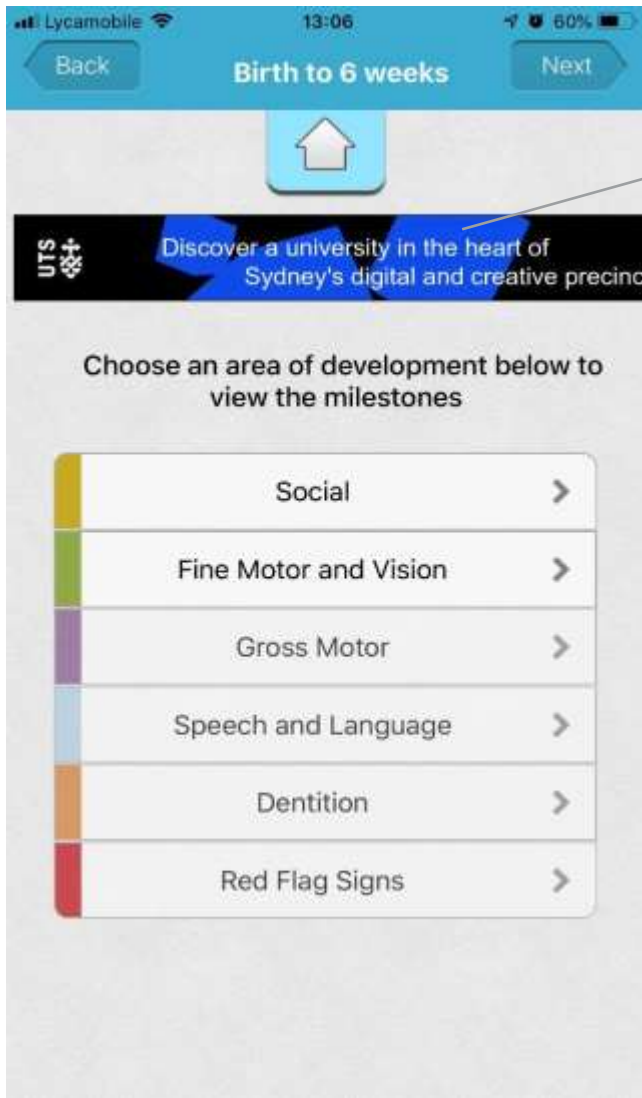

App calculates the age after entering the date of birth and gestational age of birth
